Subject : Regulation 1703, *Interest and Penalties*
Chief Counsel's Rulemaking Calendar
Board Meeting—December 12, 2006

Senate Bill 1449 (Ch. 252, Stat. of 2006) added Revenue and Taxation Code (RTC) section 6597 to provide that any person who knowingly collects sales tax reimbursement or use tax, and who fails to timely remit that sales tax reimbursement or use tax to the Board, is liable for a penalty of 40 percent of the amount not timely remitted, except under certain circumstances. To incorporate the provisions of the new statute, we request your approval to place proposed revisions to Sales and Use Tax Regulation 1703 on the Chief Counsel's Rulemaking Calendar on December 12, 2006 for Board authorization to amend the regulation under Rule 100, without the normal notice and public hearing process. This change is appropriate for processing under Rule 100 because it makes the regulation consistent with a statutory change.

Attached is the strikeout and underlined version of the regulation.

If you have any questions regarding this request, please let me know or contact Ms. Lisa Andrews at 322-5989.

(b) INTEREST.

(1) INTEREST RATES.

(A) In General. Interest is computed at the modified adjusted rate per month, or fraction thereof. "Modified adjusted rate per month, or fraction thereof" means the modified adjusted rate per annum divided by 12.

(B) Underpayments. "Modified adjusted rate per annum" for underpayments of tax is the rate for underpayments determined in accordance with the provisions of section 6621 of the Internal Revenue Code plus three percentage points. Such rate is subject to semiannual modification pursuant to the provisions of subparagraph (c) of section 6591.5 of the Revenue and Taxation Code.

(C) Overpayments. Except as provided below, "modified adjusted rate per annum" for overpayments of tax is the bond equivalent rate of 13-week treasury bills auctioned, rounded to the nearest full percent (or to the next highest full percent if .50%), subject to semiannual modification pursuant to the provisions of subparagraph (d) of section 6591.5 of the Revenue and Taxation Code. For the period July 1, 1991, through June 30, 1992, the modified adjusted rate per annum for overpayments is equal to the bond equivalent rate of 13-week treasury bills auctioned on July 1, 1991, rounded to the nearest full percent (or to the next highest full percent if 0.50%).

(D) Managed Audit Program. Upon completion of the managed audit and verification by the Board, interest shall be computed at one-half the rate that would otherwise be imposed for liabilities covered by the audit period.

(E) Error or Delay by Employee of Board or Department of Motor Vehicles. For tax liabilities that arise during taxable periods commencing on or after July 1, 1999, this subdivision is limited to interest imposed by sections 6480.4, 6480.8, 6513, 6591, and 6592.5 of the Revenue and Taxation Code. Effective January 1, 2002, this subdivision applies to interest imposed by any provision of the Sales and Use Tax Law. All or any part of such interest imposed may be relieved by the Board, in its discretion, under either of the following circumstances:

1. Where the failure to pay tax is due in whole or in part to an unreasonable error or delay by an employee of the Board acting in his or her official capacity.

2. Where failure to pay use tax on a vehicle or vessel registered with the Department of Motor Vehicles was the direct result of an error by the Department of Motor Vehicles in calculating the use tax.

For the purposes of this subdivision, an error or delay shall be deemed to have occurred only if no significant aspect of the error or delay is attributable to an act of, or a failure to act by, the taxpayer.

Any person seeking relief under this subdivision shall file with the Board a statement under penalty of perjury setting forth the facts on which the claim for relief is based and any other information which the Board may require.

(F) Erroneous Refund. Operative for any action for recovery under Revenue and Taxation Code section 6961 on or after July 1, 1999, no interest shall be imposed on the amount of an erroneous refund by the Board until 30 days after the date on which the Board mails a notice of determination for repayment of the erroneous refund if the Board finds that neither the person liable for payment of tax nor any party related to that person had in any way caused an erroneous refund for which an action for recovery is provided under section 6961 of the Revenue and Taxation Code. The act of filing a claim for refund shall not be considered as causing the erroneous refund.

(2) LATE PAYMENTS GENERALLY. Interest applies to the amount of all taxes, except prepayments of amounts of tax due and payable pursuant to section 6471 of the Revenue and Taxation Code, not paid within the time required by law from the date on which the amount of tax became due and payable until the date of payment.

The proposed amendments contained in this document may not be adopted. Any revisions that are adopted may differ from this text

Proposed Amendments to Regulation 1703. (Continued)

Interest applies to amounts due but not paid by any distributor or broker of motor vehicle fuel who fails to make a timely remittance of the prepayment of tax required pursuant to sections 6480.1 and 6480.3 of the Revenue and Taxation Code.

Operative January 1, 1992, interest applies to amounts due but not paid by any producer, importer, or jobber of fuel as defined in section 6480.10 of the Revenue and Taxation Code who fails to make a timely remittance of the prepayment of tax required pursuant to sections 6480.16 and 6480.18 of the Revenue and Taxation Code.

(3) **DETERMINATIONS.** Except as otherwise provided in subdivisions (b)(1)(E) and (b)(1)(F) above, interest applies to all determinations from the date on which the amount of tax becomes due and payable until the date of payment.

(4) **EXTENSIONS OF TIME.** In cases in which an extension of time for the filing of a return and the payment of tax has been granted, interest applies from the date on which the tax would have been due and payable had the extension not been granted until the date of payment. In cases in which an extension of time has been granted for making a prepayment of tax pursuant to section 6471 of the Revenue and Taxation Code, interest applies to the unpaid amount of the required prepayment at the same rate.

(5) **REFUNDS AND CREDITS.**

(A) **In General.** If an overpayment is credited on amounts due from any person or is refunded, interest will be computed on the overpayment from the first day of the calendar month following the month during which the overpayment was made. A refund or credit shall be made of any interest imposed upon the person making the overpayment with respect to the amount being refunded or credited. Interest will be paid in the case of a refund, to the last day of the calendar month following the date upon which the person making the overpayment, if he or she has not already filed a claim, is notified by the Board that a claim may be filed or the date upon which the refund is approved by the Board, whichever date is the earlier; and in the case of a credit, to the same date as that to which interest is computed on the tax or amount against which the credit is applied.

(B) **Intentional or Careless Overpayments.** Credit interest will be allowed on all overpayments, except when statutorily prohibited or in cases of intentional overpayment, fraud, negligence, or carelessness. Carelessness occurs if a taxpayer makes an overpayment which: 1) is the result of a computational error on the return or on its supporting schedules or the result of a clerical error such as including receipts for periods other than that for which the return is intended, failing to take allowable deductions, or using an incorrect tax rate; and 2) is made after the taxpayer has been notified in writing by the Board of the same or similar errors on one or more previous returns.

(C) **Waiver of Interest as Condition of Deferring Action on Claim.** If any person who has filed a claim for refund requests the Board to defer action on the claim, the Board, as a condition to deferring action, may require the claimant to waive interest for the period during which the person requests the Board to defer action.

(6) **IMPROPER USE OF RESALE CERTIFICATE.** Interest applies to the taxes imposed upon any person who knowingly issues a resale certificate for personal gain or to evade the payment of taxes while not actively engaged in business as a seller. The interest is computed from the last day of the month following the quarterly period for which a return should have been filed and the amount of tax or any portion thereof should have been paid.

(7) **UNTIMELINESS CAUSED BY DISASTER.** A person may be relieved of the interest imposed by sections 6459, 6480.4, 6480.8, 6513, and 6591 of the Revenue and Taxation Code if the Board finds that the person's failure to make a timely return or payment was occasioned by a disaster and was neither negligent nor willful. Such person shall file with the Board a statement under penalty of perjury setting forth the facts upon which the claim for relief is based.

For purposes of this section "disaster" means fire, flood, storm, tidal wave, earthquake or similar public calamity, whether or not resulting from natural causes.

(c) PENALTIES.

(1) **LATE PAYMENTS GENERALLY.**

Proposed Amendments to Regulation 1703. (Continued)

(A) Prepayments.

1. Any person required to make a prepayment who fails to make a prepayment before the last day of the monthly period following the quarterly period in which the prepayment became due and who files a timely return and payment for that quarterly period shall pay a penalty of 6 percent of the amount equal to 90 percent or 95 percent of the tax liability, as prescribed in section 6471 of the Revenue and Taxation Code, for each of the periods during that quarterly period for which a required prepayment was not made.

2. If the failure to make a prepayment as described in (c)(1)(A)1. above is due to negligence or intentional disregard of the Sales and Use Tax Law or authorized regulations, the penalty shall be 10 percent instead of 6 percent.

3. Any person required to make a prepayment who fails to make a timely prepayment, but who makes such prepayment before the last day of the monthly period following the quarterly period in which the prepayment became due, shall pay a penalty of 6 percent of the amount of the prepayment.

4. If any part of a deficiency in prepayment is due to negligence or intentional disregard of the Sales and Use Tax Law or authorized regulations, a penalty of 10 percent of the deficiency shall be paid.

The penalties provided in subparagraphs 2 and 4 of this subsection shall not apply to amounts subject to the provisions of sections 6484, 6485, 6511, 6514, and 6591 of the Revenue and Taxation Code (subparagraphs (c)(1)(B), (c)(2)(A) and (c)(2)(B) of this regulation).

5. A penalty of 25% shall apply to the amount of prepayment due but not paid by any distributor or broker of motor vehicle fuel who fails to make a timely remittance of the prepayment as required pursuant to sections 6480.1 and 6480.3 of the Revenue and Taxation Code.

6. Operative January 1, 1992, a penalty of 10 percent shall apply to the amount of prepayment due but not paid by any producer, importer, or jobber of fuel as defined in section 6480.10 of the Revenue and Taxation Code who fails to make a timely remittance of the prepayment as required pursuant to sections 6480.16 and 6480.18 of the Revenue and Taxation Code. This penalty shall be 25 percent if the producer, importer, or jobber knowingly or intentionally fails to make a timely remittance.

(B) Other Late Payments. A penalty of 10 percent of the amount of all unpaid tax shall be added to any tax not paid in whole or in part within the time required by law.

(C) Vehicles, Vessels and Aircraft. A purchaser of a vehicle, vessel or aircraft who registers it outside this state for the purpose of evading the payment of sales or use taxes shall be liable for a penalty of 50 percent of any tax determined to be due on the sales price of the vehicle, vessel or aircraft.

(2) LATE RETURN FORMS GENERALLY.

(A) Any person who fails to file a return in accordance with the due date set forth in section 6451 of the Revenue and Taxation Code or the due date established by the Board in accordance with section 6455 of the Revenue and Taxation Code, shall pay a penalty of 10 percent of the amount of taxes, exclusive of prepayments, with respect to the period for which the return is required.

(B) Any person remitting taxes by electronic funds transfer shall, on or before the due date of the remittance, file a return for the preceding reporting period in the form and manner prescribed by the Board. Any person who fails to timely file the required return shall pay a penalty of 10 percent of the amount of taxes, exclusive of prepayments, with respect to the period for which the return is required.

(3) DETERMINATIONS.

(A) Negligence or Intentional Disregard. A penalty of 10 percent of the amount of the tax specified in the determination shall be added to deficiency determinations if any part of the deficiency for which the determination is imposed is due to negligence or intentional disregard of the Sales and Use Tax Law or authorized regulations.

The proposed amendments contained in this document may not be adopted. Any revisions that are adopted may differ from this text

Proposed Amendments to Regulation 1703. (Continued)

(B) Failure to Make Return. A penalty of 10 percent of the amount of tax specified in the determination shall be added to all determinations made on account of the failure of any person to make a return as required by law.

(C) Fraud or Intent to Evade. A penalty of 25 percent of the amount of the tax specified in a deficiency determination shall be added thereto if any part of the deficiency for which the determination is made is due to fraud or intent to evade the Sales and Use Tax Law or authorized regulations. In the case of a determination for failure to file a return, if such failure is due to fraud or an intent to evade the Sales and Use Tax Law or authorized regulations, a penalty of 25 percent of the amount required to be paid, exclusive of penalties, shall be added thereto in addition to the 10 percent penalty for failure to file a return. Fraud or intent to evade shall be established by clear and convincing evidence.

A penalty of 50 percent applies to the taxes imposed upon any person who, for the purpose of evading the payment of taxes, knowingly fails to obtain a valid permit prior to the date in which the first tax return is due. The 50 percent penalty applies to the taxes determined to be due for the period during which the person engaged in business in this state as a seller without a valid permit and may be added in addition to the 10 percent penalty for failure to file a return. However, the 50 percent penalty shall not apply if the measure of tax liability over the period during which the person was engaged in business without a valid permit averaged \$1000 or less per month. Also, the 50 percent penalty shall not apply to the amount of taxes due on the sale or use of a vehicle, vessel, or aircraft, if the amount is subject to the penalty imposed by section 6485.1 or 6514.1 of the Revenue and Taxation Code.

(D) Failure to timely remit collected sales tax reimbursement or use tax. With respect to Board-assessed determinations, except as provided below, for periods beginning on or after January 1, 2007, a person who knowingly collects sales tax reimbursement or use tax, and who fails to timely remit that sales tax reimbursement or use tax to the Board, shall be liable for a penalty of 40 percent of the amount not timely remitted. The penalty shall not apply if:

1. the person's liability for the unremitted sales tax reimbursement or use tax averages one thousand dollars (\$1,000) or less per month, or does not exceed 5 percent of the total amount of tax liability for which the tax reimbursement was collected for the period in which tax was due, whichever is greater; or

2. the person's failure to make a timely remittance of sales tax reimbursement or use tax is due to a reasonable cause or circumstances beyond the person's control, and occurred notwithstanding the exercise of ordinary care and the absence of willful neglect.

For purposes of this penalty, "reasonable cause or circumstances beyond the person's control" includes, but is not limited to, any of the following:

a. the occurrence of a death or serious illness of the person or the person's next of kin that caused the person's failure to make a timely remittance;

b. the occurrence of an emergency, as defined in section 8558 of the Government Code, that caused the person's failure to make a timely remittance;

c. a natural disaster or other catastrophe directly affecting the business operations of the person that caused the person's failure to make a timely remittance;

d. the Board's failure to send returns or other information to the correct address of record that caused the person's failure to make a timely remittance;

e. the person's failure to make a timely remittance occurred only once over a three-year period, or once during the period in which the person was engaged in business, whichever time period is shorter; or

f. the person voluntarily corrected errors in remitting sales tax reimbursement or use tax collected that were made in previous reporting periods, and remitted payment of the liability owed as a result of those errors prior to being contacted by the Board regarding possible errors or discrepancies.

The proposed amendments contained in this document may not be adopted. Any revisions that are adopted may differ from this text

Proposed Amendments to Regulation 1703. (Continued)

For purposes of this penalty, "sales tax reimbursement" is defined in section 1656.1 of the Civil Code, and also includes any sales tax that is advertised, held out, or stated to the public or any customer, directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the retailer.

(DE) Nonpayment of Determinations. A penalty of 10 percent of the amount of the tax specified in the determination shall be added to any determination not paid within the time required by law.

(4) **IMPROPER USE OF RESALE CERTIFICATE.** A penalty of 10 percent applies to the taxes imposed upon any person who knowingly issues a resale certificate for personal gain or to evade the payment of taxes while not actively engaged in business as a seller.

The penalty is 10 percent of the amount of tax or \$500, whichever is greater, if the purchase is made for personal gain or to evade payment of taxes.

(5) **DIRECT PAYMENT PERMITS.** Every holder of a direct payment permit who gives an exemption certificate to a retailer for the purpose of paying that retailer's tax liability directly to the board must make a proper allocation of that retailer's local sales and use tax liability and also its district transactions and use tax liability if applicable. Such allocation must be made to the cities, counties, city and county, redevelopment agencies, and district to which the taxes would have been allocated if they had been reported by that retailer. Allocations must be submitted to the Board in conjunction with the direct payment permit holder's tax return on which the taxes are reported. If the local and district taxes are misallocated due to negligence or intentional disregard of the law, a penalty of 10 percent of the amount misallocated shall be imposed.

(6) **FAILURE TO OBTAIN EVIDENCE THAT OPERATOR OF CATERING TRUCK HOLDS VALID SELLER'S PERMIT.** Any person making sales to an operator of a catering truck who has been required by the Board pursuant to section 6074 of the Revenue and Taxation Code to obtain evidence that the operator is the holder of a valid seller's permit issued pursuant to section 6067 of the Revenue and Taxation Code and who fails to comply with that requirement shall be liable for a penalty of five hundred dollars for each such failure to comply.

(7) **FAILURE OF RETAIL FLORIST TO OBTAIN PERMIT.** Any retail florist (including a mobile retail florist) who fails to obtain a seller's permit before engaging in or conducting business as a seller shall, in addition to any other applicable penalty, pay a penalty of five hundred dollars (\$500). For purposes of this regulation, "mobile retail florist" means any retail florist who does not sell from a structure or retail shop, including, but not limited to, a florist who sells from a vehicle, pushcart, wagon, or other portable method, or who sells at a swap meet, flea market, or similar transient location. "Retail florist" does not include any flower or ornamental plant grower who sells his or her own products.

(8) **RELIEF FROM PENALTY FOR REASONABLE CAUSE.** If the Board finds that a person's failure to make a timely return, payment, or prepayment, or failure to comply with the provisions of section 6074 of the Revenue and Taxation Code is due to reasonable cause and circumstances beyond the person's control, and occurred notwithstanding the exercise of ordinary care and the absence of willful neglect, the person may be relieved of the penalty provided by sections 6074, 6476, 6477, 6480.4, 6480.8, 6511, 6565, 6591, and 7051.2 of the Revenue and Taxation Code for such failure.

Any person seeking to be relieved of the penalty shall file with the Board a statement under penalty of perjury setting forth the facts upon which the claim for relief is based. Section 6592 of the Revenue and Taxation Code, providing for the relief of certain penalties does not apply to the 10 percent penalty imposed for failure to make a timely prepayment under section 6478 of the Revenue and Taxation Code.

(9) **TAX AMNESTY PROGRAM (Reporting Periods Beginning Before January 1, 2003).**

(A) If on or after April 1, 2005, the Board issues a deficiency determination upon a return filed under the amnesty program or upon any other nonreporting or underreporting of tax liability by a person who could have otherwise been eligible for amnesty as specified in sections 7071, 7072 and 7073 of the Revenue and Taxation Code, the Board shall impose penalties at a rate that is double the rate of penalties normally applicable.

The proposed amendments contained in this document may not be adopted. Any revisions that are adopted may differ from this text

Proposed Amendments to Regulation 1703. (Continued)

(B) Any taxpayer who could have applied for amnesty as specified in sections 7071, 7072 and 7073 of the Revenue Taxation Code but fails to do so, will be subject to a penalty of 50 percent of the interest computed under section 6591 of the Revenue and Taxation Code for the period beginning on the date the tax was due and ending on March 31, 2005.

The proposed amendments contained in this document may not be adopted. Any revisions that are adopted may differ from this text
